Meeting Needs Together

Why Should Your Church Be A Mennonite Mutual Member Church?

1. **Mennonite Mutual is owned by its member churches.** The company's board is elected from the member churches. Our policyholders attend those churches. Mennonite Mutual operates only in Alberta and all of our staff, policyholders, directors and business activities are located in Alberta. We are licensed and regulated by the government of Alberta. We do participate in a national reinsurance facility which gives us additional financial strength and security for our policyholders.
2. You can assist with our financial support for **Mennonite Central Committee Alberta (MCCA)**. The Mennonite Mutual bylaws direct that a portion of the company's profits are donated to MCCA.
3. Your church can participate in our **Compassion Fund**. Through that fund Mennonite Mutual matches your church's contribution, on a 50/50 basis, to help people who are in need in your local community.
4. The ministry of MMI is carried with the participation of **representatives from your church congregation**.
5. The capital of MMI is invested in **ethically selected** organizations such as Meritas and Mennonite Foundation and fund placement is regularly reviewed by the Investment Committee of the MMI Board of Directors.

We have been serving the mutual aid needs of church members in Alberta since 1960. In addition, our recently created subsidiary company Mennonite Insurance Agency now provides us with the ability to offer automobile insurance to your church members as well.

To learn more about how your church's participation in the ministry of Mennonite Mutual can provide care for people in need while strengthening the Christian community of Alberta, please contact our **Marketing Representative: Marguerite Jack** in our Calgary office.
